Chief Financial Officer

Chairman

#### Premier Cement Mills PLC.

#### Notes to the Consolidated Statement of Financial Statement

#### For the period ended 30 September 2022

#### 1 REPORTING ENTITY

1.01 Formation and legal status

Premier Cement Mills Limited, (hereinafter referred to as PCML or the holding Company) a Public Limited Company was incorporated on 14 October 2001 under the Companies Act XVIII of 1994 having its registered office in Chittagong. Presently the Company has a subsidiary namely "Premier Power Generation Limited" where PCML holds 96% of its shares and PCML also has an associate company namely "National Cement Mills Limited" holding 18.67% of its shares.

Premier Power Generation Limited, (hereinafter referred to as PPGL or the subsidiary company) a private limited company was incorporated on 07 September 2006 under the Companies Act 1994 having its registered office in Chittagong with an installed capacity of 5.34 MW run by Natural Gas from TGTDCL.

National Cement Mills Limited, (hereinafter referred to as NCML or the associate company) a public limited company was incorporated on 10 September 1996 with an installed capacity of 1400 MT per day at Issa Nagar, Karnafully, Chittagong.

1.02 Nature of business

The Company is manufacturing cement from various raw materials i.e. Clinker, Gypsum, Slag, Lime Stone, Fly Ash etc. at its manufacturing plant located at West Muktarpur, Munshigonj and marketing the same in local as well as foreign markets.

- 2.00 Basis of preparation, presentation and disclosures of financial statements
- 2.01 Statement of compliance

The financial statements have been prepared on a going concern basis following accrual basis of accounting except for cash flow statement in accordance with the International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs).

2.02 Other regulatory compliances

The Companies are also required to comply with the following major laws and regulation in addition to the Company Act 1994:

The Securities and Exchange Rules, 1987

The Securities & Exchange Ordinance, 1969

The Income Tax Ordinance, 1984

The Income Tax Rules, 1984

The Value Added Tax Act, 1991

The Value Added Tax Rules, 1991

The Customs Act, 1969

2.03 Basis of measurement

These financial statements have been prepared on a historical cost basis except for property, plant and equipment which are measured at revalued amount.

2.04 Functional and presentation currency

These financial statements are prepared in Bangladesh Taka (Taka/ Tk.), which is the company's functional currency. All financial information presented in Taka has been rounded off to the nearest integer.

2.05 Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that

affect the application of accounting policies and the reported amounts of Assets, Liabilities, Income and Expenses.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

Note 4	Property, plant and equipment
Note 5	Intangible assets
Note 6	Right of use assets
Note 7	Financial assets
Note 10	Inventories
Note 11	Trade and other receivables
Note 19	Deferred tax liability
Note 22	Defined benefit obligations (Gratuity)
Note 23	Trade and other payable
Note 26	Provision for taxation
Note 37	Contingent liabilities

#### 2.06 Changes in accounting policy

The company has applied the IAS/IFRS 10, 12 & 13 from the year 2013-14, IAS/IFRS 9 & 15 from the year 2018-19 and IFRS 16 from the year 2019-2020.

IFKS 9	Financial instruments
IFRS 10	Consolidated Financial Statements
IFRS 12	Disclosure of interests in other entities
IFRS 13	Fair Value Measurement
IFRS 15	Revenue from Contract with Customer
IFRS 16	Leases

Discount of the second

#### 2.07 Going concern

The company has adequate resources to continue in operation for foreseeable future. For this reason the directors continue to adopt going concern basis in preparing the Financial Statements. The current credit facilities and business prospective of the company provide sufficient fund and ability to meet the present obligations of its existing businesses and operations.

#### 2.08 Applicable accounting standards

The following IASs and IFRSs are applicable for the financial statements for the year under review:

- IAS 1 Presentation of Financial Statements
- IAS 2 Inventories
- IAS 7 Statements of Cash Flows
- IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- IAS 10 Events after the Reporting Period
- IAS 12 Income Taxes
- IAS 16 Property, Plant and Equipment
- IAS 19 Employee Benefits
- IAS 21 The Effects of Changes in Foreign Exchange Rates
- IAS 23 Borrowing Costs
- IAS 24 Related Party Disclosures
- IAS 27 Separate Financial Statements (Revised 2011)
- IAS 28 Investment in Associate
- IAS 32 Financial Instruments: Presentation
- IAS 33 Earnings Per Share
- IAS 34 Interim Financial Reporting, Comparative information
- IAS 36 Impairment of Assets
- IAS 37 Provisions, Contingent Liabilities and Contingent Assets
- IAS 38 Intangible Assets
- IFRS 3 Business Combinations
- IFRS 7 Financial Instruments: Disclosures
- IFRS 9 Financial Instruments
- IFRS 10 Consolidated Financial Statements
- IFRS 12 Disclosure of interest in other entities

IFRS - 13 Fair value measurement

IFRS - 15 Revenue from Contract with Customer

IFRS - 16 Leases \*

\* Leases presented in the financial statement has been recognized as per the requirements of IAS 17. The applicability of IFRS 16 has come into effect from 1st January 2019. However, we have implemented the standard from the financial year 2019-20.

#### 2.09 Reporting period

The accounting period of the company covers one financial year from 1st July to 30th June consistently.

2.10 Principles of consolidation and disclosure of interest in other entities

Subsidiary is an enterprise controlled by the parent entity. Control exists when an investor is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those re-turns through its power over the investee. The financial statements of subsidiary are included in the consolidated financial statements from the date that control commences until the date that control ceases. The consolidated financial statements have been prepared in accordance with IFRS 10 Consolidated Financial Statements.

The group eliminates in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full).

#### Non-controlling interests

The group presents non-controlling interests in its consolidated statement of financial position within equity, separately from the equity of the owners of the parent.

The group attributes the profit or loss and each component of other comprehensive income to the owners of the parent and to the non-controlling interests. The proportion allocated to the parent and non-controlling interests are determined on the basis of present ownership interests.

Premier Power Generation Limited is a subsidiary company of PCML. The Company has made 96% investments in its subsidiary. PCML is exposed to and has rights, to variable returns from the subsidiary and also has the ability to affect those returns through its power over PPGL.

National Cement Mills Limited is an associate company of PCML. The company owns 18.67% of the equity share capital in NCML prior to current year PCML exerts control on NCML with remaining 60% voting rights through common directorships. The management has decided to consolidate the financial statements of NCML in accordance with IFRS 10 for reporting purpose up to 30-06-2017. In the year 2017-2018 there was a major change in the shareholding position of NCML and directorship and PCML lose control in the decision making of NCML through voting right hence the company decided not to consolidate the financial position of NCML. As per equity method (Ref.IAS-28) share of profit from associate company's shown in the "Consolidated statement of profit or loss and other comprehensive Income" and is added with investment in Associate.

#### 3,00 Summary of significant accounting policies

The specific accounting policies selected and applied by the company's directors for significant transactions and events that have material effect within the framework of IAS-1 "Presentation of Financial Statements", in preparation and presentation of financial statements have been consistently applied throughout the year and were also consistent with those used in earlier years.

For a proper understanding of the financial statements, these accounting policies are set out below in one place as prescribed by the IAS-1 "Presentation of Financial Statements". The recommendations of IAS-1 relating the format of financial statements were also taken into full consideration for fair presentation.

#### 3.01 Consistency

The accounting policies and methods of computation used in preparation of financial statements for the year ended 30 June 2020 are consistent with those policies and methods adopted in preparing the financial statements for the year ended 30 June 2021.

#### 3.02 Transactions in foreign currencies

Foreign currency transactions are recorded at the applicable rates of exchange ruling on the date of transactions.

Other monetary assets & liabilities, if any, denominated in foreign currencies at the Balance Sheet date are translated at the applicable rates of exchange ruling at that date and the related exchange differences are charged off as revenue expenditure. Effects on cash flows has been shown in the statement of cash flows of the financial statements.

#### 3.03 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

"A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. It is recognized by IFRS 9 -Financial Instrument. The entity has recognized its financial instruments as per IFRS 9 - Financial Instruments.

#### 3.03.01 Financial assets

The group initially recognises loans and receivables and deposits on the date that they are originated. All other financial assets are recognised initially on the trade date, which is the date the Group becomes a party to the contractual provisions of the instrument.

The group derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred.

Financial assets include cash and bank balances, trade and other receivable, advances, deposits and prepayments, etc.

#### 3.03.01.01 Cash and bank balances

This comprises of cash in hand, deposits held at call with banks, and bank overdrafts are shown in current liabilities on the balance sheet which are held and available for use by the company without any restriction. There is insignificant risk of change in value of the same.

#### 3.03.01.02 Trade and other receivables

Trade and other receivables represent the amounts due from local and foreign customers etc. Trade receivables are stated at net.

Provision for doubtful debts is made based on the company policy. Bad debts are written off on consideration of the status of individual debtors.

#### 3.03.02 Financial liabilities

The group recognizes all financial liabilities on the trade date which is the date the group becomes a party to the contractual provisions of the instrument.

The group derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired. Financial liabilities comprise trade and other creditors only.

#### 3.03.02.01 Trade and other payables

The group recognizes a financial liability when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the company of resources embodying economic benefits.

#### 3.04 Property, plant and equipment

#### 3.04.01 Recognition and measurement

Items of property, plant and equipment are carried at revalued amount, being fair values at the date of revaluation less subsequent accumulated depreciation and subsequent impairment losses, if any.

#### Subsequent costs

The cost of replacing a part of property, plant and equipment is recognized in the carrying amount of the item if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of comprehensive income during the financial period in which they incurred.

#### Depreciation

In respect of fixed assets other than freehold land, depreciation is provided on reducing balance method over their expected useful life and day basis depreciation charged on the amount of addition to fixed assets from the date of use. No depreciation is charged on freehold land considering its unlimited life. The annual depreciation rates for different category of assets are as follows:

Category of assets	R	ate
	PCML	PPGL
Land and land development	0%	0%
Factory Building	3%	0%
Jetty Construction	3%	0%
Electric Installation	8%	0%
Plant & Machinery	8%	6%
Boundary Wall & Fencing	5%	0%
Furniture & Fixtures	10%	10%
Telephone & Fax Installation	15%	0%
Loose Tools	15%	0%
Motor Vehicles	15%	0%
Motor Vehicles- Employee	10%	0%
Office Building & Shed	3%	0%
Office Equipment	15%	20%
Tube-Well	15%	0%
Air Compressor	15%	0%
Grinding Media	33%	0%
Lab Equipment	10%	0%
Vessel	10%	0%
Portable Cement Silo	3%	0%
Office Decoration	15%	15%
Generator Building	0%	10%
Software	10%	0%

Depreciation charged during the year is allocated to cost of sales, administrative expenses, selling & distribution expenses and Bag Plant based on usage/consumption of economic benefits.

Upon retirement of assets, no depreciation is charged in the year of retirement and the cost and related accumulated depreciation are eliminated from the accounts and resulting gain or loss is charged or credited to profit and loss account.

#### Leasehold assets and leases

Assets held under finance leases are recognised as assets of the Company at their fair value at the date of acquisition or, if lower, at the present value of the minimum lease payments. The corresponding liability is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. Leasehold assets have been capitalised this year because of lease term of all assets have been completed by this year.

#### Leases:

IFRS 16 introduces significant changes to lessee accounting by removing the distinction between operating and finance lease and requiring the recognition of a right-of-use asset and a lease liability at commencement for all leases, except for short-term leases and leases of low value assets when such recognition exemptions are adopted. In contrast to lessee accounting, the requirements for lessor accounting have remained largely unchanged.

"The Group" has applied IFRS 16 using the cumulative catch-up approach. "The Group" utilized the option to measure the right-of-use asset at an amount equal to the lease liability in accordance with para C8 of IFRS 16 at the date of initial application. This approach does not require restatement of comparatives, which continue to be presented under IAS 1 and IFRIC 4.

IFRS 16 changes how the Group accounts for leases previously classified as operating leases under IAS 17, which were of balance sheet. Applying IFRS 16, for all leases (except as noted below), the Group:

- a) Recognises right-of-use assets and lease liabilities in the consolidated statement of financial position, initially measured at the present value of the future lease payments, with the right-ofuse asset adjusted by the amount of any prepaid or accrued lease payments in accordance with IFRS 16:C8(b)(ii);
- Recognises depreciation of right-of-use assets and interest on lease liabilities in the consolidated statement of profit or loss;
- c) Separates the total amount of cash paid into a principal portion (presented within financing activities) and interest (presented within financing activities) in the consolidated statement of Cash flows.

Under IFRS 16, right-of-use assets are tested for impairment in accordance with IAS 36. For short-term leases (lease term of 12 months or less) and leases of low-value assets, the Group has opted to recognize a lease expense on a straight-line basis as permitted by IFRS 16. This expense is presented in profit or loss. The Group has used the following practical expedients:

- The Group has applied a single discount rate (9%) to a portfolio of leases with reasonably similar characteristics.
- The Group has elected not to recognize right-of-use assets and lease liabilities to leases for which the lease term ends within 12 months of the date of initial application.
- The Group has excluded initial direct costs from the measurement of the right-of-use asset at the date of initial application.

#### 3.04.02 Capital work-in-progress

Property, plant and equipment under construction/acquisition is accounted for as capital work-in-progress until construction/acquisition is completed and measured at cost initially.

#### 3.05 Inventories

Nature of inventories

Inventories comprise of Raw Materials (Clinker, Gypsum, Lime Stone, Fly Ash, Slag), Grinding Aid, Packing Materials, Consumable Stores, Raw Materials of Bag Plant, Goods in Transit & Finished Goods (Cement) etc.

#### Valuation of the inventories

Inventories are stated at the lower of cost or net realizable value in accordance with IAS 2 "Inventories" after making due allowances for any obsolete or slow moving items, if any.

The cost is determined using the Weighted Average Method consistently. The cost of inventories comprises of expenditure incurred in the normal course of business in bringing such inventories to its present location and condition. Net realizable value is based on estimated selling price less VAT in the ordinary course of business less any further costs expected to be incurred to make the sale (applicable variable selling expenses).

Category	Basis of valuation
Finished goods	At the lower of weighted average cost or net realizable value.
Raw materials	At the lower of weighted average cost or net realizable value.
Goods-in-transit	At the lower of weighted average cost or net realizable value.

#### 3.06 Cash flow statement

Statement of Cash Flows is prepared principally in accordance with IAS 7 (Statement of Cash Flow ) and the cash flow from operating activities have been presented under direct method.

#### 3.07 Impairment

#### 3.07.01 Non-derivative financial assets

Financial assets not carried at fair value through profit or loss, loans and receivables are assessed as and when required to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

#### 3.07.02 Non-financial assets

The carrying amounts of the group's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the recoverable amount of the asset is estimated. An impairment loss is recognised if the carrying amount of an asset or its related cash-generating unit (CGU) exceeds its estimated recoverable amount.

#### 3.08 Provisions, contingent liabilities and contingent assets

A provision is recognized in the balance sheet when the Company has a legal or contractual obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Contingent assets are not recognized.

#### 3.09 Borrowing costs

Interest and other costs incurred by the company in connection with the borrowing of funds are recognized as expense in the period in which they are incurred, unless such borrowing cost relates to acquisition / construction of assets in progress that are capitalized as per IAS 23 "Borrowing Costs".

#### 3.1 Taxation

#### 3.10.1 Current tax

PCML has been maintaining provision for taxation @ 22.50% as per Income Tax Ordinance, 1984. Company also enjoys tax exemption on export sales as per Sixth Schedule (Section 28) of ITO 1984.

#### 3.10.2 Deferred tax

Deferred tax liabilities are the amount of income taxes payable in the future periods in respect of taxable temporary differences. Deferred tax assets are the amount of income taxes recoverable in future periods in respect of deductible temporary differences. Deferred tax assets and liabilities are recognised for the future tax consequences of timing differences arising between the carrying values of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantially enacted at the balance sheet date. The impact of changes on the account in the deferred tax assets and liabilities has also been recognised in the profit and loss account as per IAS-12 "Income Taxes".

#### 3.11 Share capital

Paid up capital represents total amount contributed by the shareholders and bonus shares issued by the company to the ordinary shareholders. Holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of a winding up of the company, ordinary shareholders rank after all other shareholders and creditors are fully entitled to any residual proceeds of liquidation.

#### 3.12 Employee benefits

The company maintains both defined contribution plan and defined benefit plan for its eligible permanent employees.

#### 3.13.01 Defined contribution plan

The company maintains a recognized provided fund @ 7% of basic pay (Equally contributed by employee & employer) for all eligible permanent employees from 1st day of July 2010. The said fund is managed by a duly constituted five member board of trustees.

#### 3.13.02 Defined benefit plan (Gratuity)

The company maintains an unfunded gratuity scheme, provision in respect of which is made annually for the employees. Gratuity payable at the end of each year are determined on the basis of two (2) times of last month basic salary and payment is to be made on the basis of following rules and regulations of the company.

Service length (W.E.F. 01.07.2010)	Payment basis
Less than Five (5) years	Nil Amount. In case of deceased person & terminated by employer One (1) times of last month basic salary x year of service(s)
	One (1) times of last month basic salary x year of services
	One & half (1.5) times of last month basic salary x year of service(s)
Ten (10) years & above	Two (2) times of last month basic salary x year of service(s)

#### 3.13.03 Other benefits

The company also making a provision for Workers' Profit Participation and Welfare funds @ 5% of net profit before tax as per Labour Act 2006.

#### 3.14 Revenue recognition

In compliance with the requirements of IFRS 15: Revenue from the sale of goods (Cement) is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognized when the following criteria meets:

- I. Identify the contract with customer
- II. Identify the performance obligation in the contract
- III. Determine the transaction price
- IV. Allocate the transaction price to performance obligation
- V. Recognize the revenue

We have recognized our revenue by satisfying the criteria provided above.

#### 3.15 Earnings per share

The company calculates its earning per share in accordance with Bangladesh Accounting Standard (IAS) - 33 which has been reported on the face of Statement of Comprehensive Income.

#### Basis of earnings

This represents earning for the year attributable to ordinary shareholders and Non-Controlling shareholders. As there were no preference shares requiring returns or dividends, the net profit after tax for the year has been considered as fully attributable to the ordinary shareholders.

#### Basis of earnings per share

This has been calculated by dividing the basic earnings by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share

No diluted earnings per share is required to be calculated per year as there was no scope for dilution during the year.

#### 3.16 Duty drawback

Duty drawback claimed on export sales is adjusted against cost of imported raw materials.

#### 3.17 Events after the reporting period

Events after the Reporting period that provide additional information about the company's positions at the balance sheet date are reflected in the financial statements if any.

#### 3.18 Comparative information and re-arrangement thereof

In accordance with the provisions of IAS-1: Presentation of Financial Statements, Comparative information has been disclosed for all numerical information in the financial statements and also the narrative and descriptive information where it is relevant for understanding of the current period's financial statements.

#### 24.00 Basic earnings per share (EPS)

23.00 Financial expenses Bank charges Bank loan interest Interest on leasing finance

> The computation of EPS is given below: Earnings attributable to the ordinary shareholders (NPAT) Number of shares outstanding during the year

Basic earnings per share (par value of Tk. 10)

(2.47)

No diluted EPS was required to be calculated for the year since there was no scope for dilution of share during the year under review.

During the first quarter ended on September 30, 2022 occurred exchange loss 23.31 crore for increasing USD exchange rate to BDT from 84.95 to 107.50 and raw materials import cost also increased reason of EPS decrease to BDT (2.47) compare to the last year's first quarter ended on September 30, 2021 which was BDT 0.05.
